Coverage for Your Industry Risks

The ERIE Custom Collection[®] Program for Manufacturers is a suite of products and services designed to give your business the precise protection it needs—and the peace of mind you deserve.

In addition to standard property and liability coverages, the program offers many industry-specific coverages¹ for:

- Expenses to repair or replace broken equipment and machinery.
- Bodily injury to a customer resulting from a faulty product you manufactured.

You can also purchase separate policies for workers' compensation,² business auto, and business life solutions.³

Claims Service You Can Count On

With claims offices located throughout our territory, ERIE has built a reputation for fast and reliable service. You can count on ERIE and your agent to help your business recover quickly if you ever experience a covered loss. We care about our customers and want them to have the best experience possible.
