

THE ERIE Custom COLLECTION® PROGRAM

Retailers

Coverage for Your Industry Risks

The ERIE Custom Collection® Program for Retailers is a suite of products and services designed to give your retail store the protection it needs—and the peace of mind you deserve.

In addition to standard property and liability coverages, the program offers many industry-specific coverages¹ that:

- Replaces merchandise that cannot be sold due to damage by a covered loss.²
- Protects against lost income when a covered loss causes you to lose a key supplier.
- Automatically increases your limits during your busy peak season.

You can also purchase separate policies for workers' compensation^{3,4} and business auto coverage.³

Claims Service You Can Count On

With claims offices located throughout our territory, ERIE has built a reputation for fast and reliable service. You can count on ERIE and your agent to help your business recover quickly if you ever experience a covered loss.
