## Coverage for Your Industry Risks

The ERIE Custom Collection<sup>®</sup> Program for Restaurants is a suite of products and services designed to give your business the specific protection it needs—and the peace of mind you deserve.

In addition to standard property and liability coverages, the program offers many industry-specific coverages<sup>1</sup> for:

- The cost to repair or replace refrigeration equipment damaged by a mechanical breakdown.
- Expenses related to a food contamination incident.<sup>2</sup>

You can also purchase separate policies for workers' compensation,<sup>3</sup> business auto and business life solutions.<sup>4</sup>
